

We are writing in regards to the new broadcast service LPFM. We listen to K-LOV on a daily basis and understand it would be forced off the air if the proposed rule changes are enacted regarding LPFM. K-LOV provides clean, moral messages for our community and we never have to change the channel because it is family friendly. We would lose a great service for the public if it goes off the air because there are few alternatives for people who care what their family's hear when in the car or at home. Please do not support LPFM because losing K-LOV would hurt our families. Sincerely, Scott and Susan Savery
